

THE QUARTERLY CAA-NECTION

Quarter 4 – 2023

You are receiving this newsletter as part of your participation in the Ameren Illinois Energy Efficiency Program.

Preparing for 2024

As 2023 begins to wind down, 2024 is right around the corner. We are looking forward to what the New Year brings and you can anticipate a few changes in 2024 to help your Agencies liaison with the Ameren Illinois Energy Efficiency Program a little easier, including a new CAA website! It will house varying information for Agencies, including ways the Community Action Agency Channel benefits communities throughout Illinois. Additionally, we plan to offer additional support to each Agency in 2024 to help you meet and surpass your goals. Stay tuned for what that looks like! If you have any questions, please reach out to your Program Liaison.

2024 CAA Channel Kickoff

The Virtual Community Action Agency Channel Kickoff Event will be held in January 2024! Join us as we discuss 2024 measures and hear messages from our partners.

More information and registration information will be coming soon! For additional information, please contact **Nikki Pacific** at npacific@ameren.com.

Welcome Ash Hutchison!

Ash Hutchison will be working as a Program Liaison, covering counties in the Southern Region. She has a background in community organizing. She is passionate about empowering people and the communities they live in.

Agency Shout-Outs

Congratulations to Bond, Clinton, Marion and Washington (BCMw) Community Services for surpassing their project completion goal in the month of October!

Congratulations to Tri-County Opportunities Council for having three assessors in training!

Agency Visits

Visiting Agencies has continued to be a priority for Q3 and into Q4! In both the Central and Southern Region, CAA Program staff have been visiting Agencies to offer better support and make deeper connections.

In the Community

On Oct. 12, 2023, the CAA team presented to students at Centralia High School on careers in weatherization for their school career day.

Good News!

Throughout the year, we want to hear about all the great Program-related customer successes you encounter each day. Share your story to be featured as a Good News story. Please submit your customer success stories to your CAA Liaison.

Taria Armstrong, Central Region: tarmstrong@ameren.com

Melissa Davenport, Southern Region: mdavenport2@ameren.com
