PROGRAM

# CO-BRANDING REQUIREMENTS

*Ameren Illinois Community Partners*

When it comes to marketing, you have two options of co-branding with the Ameren Illinois Energy Efficiency Program:

- 1) Pre-approved co-branded collateral.
- 2) Customized collateral with the approved Ameren Illinois Energy Efficiency logo.

Pre-approved co-branded collateral is designed by the Ameren Illinois Energy Efficiency Program and will include your contact information and logo. These collateral pieces are available for immediate use.

Customized collateral with the approved Ameren Illinois Energy Efficiency logo will need to follow certain requirements as detailed in this document. Additionally you **MUST** get approval of these customized items before they are circulated in the public.

**To request pre-designed materials,  
visit the Partner Store.**

**To submit custom materials, visit the  
Co-Branded Materials for Approval Form.**

**IMPORTANT NOTE:** Failure to follow these co-branding requirements may result in your organization being removed from the Ameren Illinois Energy Efficiency Program and losing its status as a Community Partner.

## For Ameren Illinois Community Partners

### COMMUNITY PARTNER CO-BRANDING

Collateral that is co-branded with reference to the Ameren Illinois Energy Efficiency Program should promote the Community Partner's organization first. Any Ameren Illinois components should be secondary and smaller than the Community Partner's components.

Community Partners may create collateral that is co-branded with the Ameren Illinois name and/or approved logo as detailed in this guide. Community Partners that conduct business on behalf of the Ameren Illinois Energy Efficiency Program must obtain written approval from the Program before collateral is utilized.

### HOW TO SUBMIT A CO-BRANDING REQUEST

1. Go to [AmerenIllinoisSavings.com/Partner](https://AmerenIllinoisSavings.com/Partner)
2. Click on Submit Co-Branded Materials for Approval
3. Fill out the form and attach the collateral for final review and approval by Ameren Illinois.

**NOTE: Co-branded requests will be reviewed within three business days. Partners must follow co-branded requirements.**

The screenshot shows a web form titled "MDI Partner Co-Branded Submission". The form contains several input fields: "Partner Organization Name \*", "First & Last Name \*", "Email Address \*", and "Material Description & Details \*". Below these is an "Upload File(s) \*" section with a note: "NOTE: DO NOT UPLOAD FILES CONTAINING CUSTOMER DATA, NOR ANY VARIATION OF CUSTOMER DATA." and a dashed box with the text "Choose files or drag & drop them here". A green "Next" button is at the bottom right.

### APPROVED LOGO

Community Partners may only use the approved logo to represent their involvement in the Ameren Illinois Energy Efficiency Program. Community Partners use of the Ameren Illinois logo for any other reason is prohibited.

### FORMATTING THE APPROVED LOGO
