

# ACRONYMS

|                |  |             |  |
|----------------|--|-------------|--|
| <b>8-103</b>   | Electric Energy Efficiency Programs (Business & Residential)               | <b>CAL</b>  | Common Area Lighting   |
| <b>8-104</b>   | Gas Energy Efficiency Programs (Business & Residential)                    | <b>CALC</b> | Commercial Advanced Lighting Controls                                    |
| <b>AC</b>      | Alternating Current  | <b>CARx</b> | Compressed Air Retro Commissioning                                       |
| <b>ACEEE</b>   | American Council for an Energy Efficient Economy                           | <b>CBO</b>  | Community Based Organization   |
| <b>ACH</b>     | Air Changes Per Hour   | <b>CDD</b>  | Cooling Degree Days  |
| <b>AEE</b>     | Association of Energy Engineers  | <b>CEA</b>  | Certified Energy Auditor   |
| <b>AEECI</b>   | AEE's Central Illinois Chapter   | <b>CEE</b>  | Consortium for Energy Efficiency   |
| <b>AFUE</b>    | Annual Fuel Utilization Efficiency   | <b>CEIP</b> | Clean Energy Incentive Program   |
| <b>AI</b>      | Ameren Illinois  | <b>CEM</b>  | Certified Energy Manager   |
| <b>AIC</b>     | Ameren Illinois Company  | <b>CFL</b>  | Compact Fluorescent Light  |
| <b>AMI</b>     | Advanced Metering Infrastructure   | <b>CFM</b>  | Cubic Feet per Minute  |
| <b>AMO</b>     | Advanced Manufacturing Office (DOE)  | <b>CFM</b>  | Certified Facility Manager   |
| <b>Amplify</b> | Salesforce platform used by Leidos for all project data                    | <b>CHP</b>  | Combined Heat and Power  |
| <b>ANSI</b>    | American National Standards Institute                                      | <b>CI</b>   | Custom Incentive   |
| <b>APEC</b>    | Association of Professional Energy Consultants                             | <b>CLIP</b> | Competitive Large Incentive Project                                      |
| <b>ARES</b>    | Alternative Retail Electric Supplier                                       | <b>COP</b>  | Co-efficiency of Performance   |
| <b>ASE</b>     | Alliance to Save Energy (National)   | <b>CPAS</b> | Cumulative Persisting Annual Savings                                     |
| <b>ASHP</b>    | Air Source Heat Pump   | <b>CPP</b>  | Clean Power Plan (Federal)   |
| <b>ASHRAE</b>  | American Society of Heating, Refrigeration, and Air Conditioning Engineers | <b>CPR</b>  | Community and Public Relations (Ameren Illinois' Marketing Division)     |
| <b>B2B</b>     | Business to Business communications  | <b>CRC</b>  | Community Relations Coordinator - Ameren IL's PR person in each division |
| <b>BAS/BMS</b> | Building Automation/Management System                                      | <b>CSS</b>  | Customer Service Specialist  |
| <b>BOC</b>     | Building Operator Certification  | <b>DC</b>   | Direct Current   |
| <b>BPI</b>     | Building Performance Institute   | <b>DCEO</b> | Department of Commerce & Economic Opportunity (Illinois)                 |
| <b>BRC</b>     | Business Reply Card  | <b>DCV</b>  | Demand Controlled Ventilation  |
| <b>BTO</b>     | Building Technologies Office (DOE)   | <b>DD</b>   | Double Dipping. Receiving incentives from multiple programs.             |
| <b>BTUs</b>    | British Thermal Units (combine kilowatt-hours and therms)                  | <b>DER</b>  | Distributed Energy Resources   |
| <b>C&amp;I</b> | Commercial & Industrial  | <b>DG</b>   | Distributed Generation   |
| <b>CAA</b>     | Community Action Agency  | <b>DLC</b>  | Design Lights Consortium   |
|                |  | <b>DOE</b>  | Department of Energy   |

|                     |  |                |  |
|---------------------|--|----------------|--|
| <b>DPM</b>          | Deputy Program Manager   | <b>ERC</b>     | Energy Resource Center (Illinois)      |
| <b>DR</b>           | Demand Response  | <b>ERI</b>     | Energy Rating Index                    |
| <b>DRIPE</b>        | Demand Reduction Induced Price Effects - avoided cost.                                       | <b>ERV</b>     | Energy Recovery Ventilator             |
| <b>DSIRE</b>        | Database of State Incentives for Renewable and Efficiency                                    | <b>ESCO</b>    | Energy Service Company                 |
| <b>DSM</b>          | Demand Side Management   | <b>ESPC</b>    | Energy Savings Performance Contracts   |
| <b>EA</b>           | Energy Advisor   | <b>ESPM</b>    | ENERGY STAR® Portfolio Manager         |
| <b>ECB</b>          | Early Completion Bonus   | <b>ET</b>      | Emerging Technology                    |
| <b>ECD</b>          | Estimated Completion Date  | <b>EUI</b>     | Energy Use Intensity                   |
| <b>ECM</b>          | Energy Conservation Measure  | <b>FS</b>      | Feasibility Study                      |
| <b>ECM</b>          | Electronically Commutated Motor  | <b>G&amp;T</b> | Generation & Transmission              |
| <b>EDR</b>          | Energy Efficiency and Demand-Response Cost Recovery  | <b>GHG</b>     | Greenhouse Gas Emissions               |
| <b>EE</b>           | Energy Efficiency  | <b>GN</b>      | Green Nozzles                          |
| <b>EEPS</b>         | Energy Efficiency Portfolio Standard   | <b>GRI</b>     | Gas Research Institute                 |
| <b>EERE</b>         | Energy Efficiency and Renewable Energy (DOE)   | <b>Gwh</b>     | Gigawatt hour (one billion watt hours) |
| <b>EERS</b>         | Energy Efficiency Resource Standard  | <b>HCRx</b>    | Healthcare Retro Commissioning         |
| <b>EFLH</b>         | Equivalent Full Load Hours   | <b>HDD</b>     | Heating Degree Day                     |
| <b>EIA</b>          | Energy Information Administration (Federal)  | <b>HEMS</b>    | Home Energy Management Systems         |
| <b>EISA</b>         | Energy Independence and Security Act   | <b>HEIQ</b>    | Home Efficiency Income Qualified       |
| <b>EM&amp;V</b>     | Evaluation, Measurement & Verification (Companies that evaluate the results of our programs) | <b>HER</b>     | Home Energy Report                     |
| <b>EM&amp;V 2.0</b> | Real Time Evaluation Practices   | <b>HERs</b>    | Home Energy Rating Standard            |
| <b>EMIS</b>         | Energy Management Information System   | <b>HPwES</b>   | Home Performance with ENERGY STAR®     |
| <b>EPA</b>          | US Environmental Protection Agency (Federal)   | <b>HRV</b>     | Heat Recovery Ventilator               |
| <b>EPRI</b>         | Electric Power Research Institute  | <b>HVAC</b>    | Heating Ventilation Air Conditioning   |
|                     |  | <b>ICC</b>     | Illinois Commerce Commission           |
|                     |  | <b>ICC</b>     | International Code Council             |
|                     |  | <b>IECC</b>    | International Energy Conservation Code |
|                     |  | <b>IES</b>     | Illuminating Engineering Society       |
|                     |  | <b>II</b>      | Instant Incentives                     |
|                     |  | <b>IMS</b>     | Information Management System          |
|                     |  | <b>IoT</b>     | Internet of Things                     |
|                     |  | <b>IIoT</b>    | Industrial Internet of Things          |
|                     |  | <b>IOU</b>     | Investor Owned Utility                 |
|                     |  | <b>IP</b>      | Implementation Plan                    |
|                     |  | <b>IRP</b>     | Integrated Resource Planning           |
|                     |  | <b>ISO</b>     | Independent Service Organization       |

|                |  |                |   |
|----------------|--|----------------|---|
| <b>ISO</b>     | Internal Standards Organization  | <b>PCT</b>     | Participant Cost test   |
| <b>KAE</b>     | Key Account Executive - Ameren IL account manager for large business customers | <b>PEM</b>     | Practical Energy Management   |
| <b>kWh</b>     | Kilowatt Hour (one thousand watt hours)  | <b>PEM</b>     | Plant Engineering & Maintenance   |
| <b>LED</b>     | Light Emitting Diode   | <b>PEO</b>     | Power Over Ethernet   |
| <b>LEED</b>    | Leadership in Energy and Environment Design                                    | <b>PIP</b>     | Program Implementation Plan   |
| <b>LIHEAP</b>  | Low Income Home Energy Assistance Program                                      | <b>PM</b>      | Program Manager   |
| <b>LSR</b>     | Leak Survey and Repair   | <b>PMO</b>     | Project Management Organization (oversees both Business & Residential programs) |
| <b>MDM</b>     | Motor Decisions Matter   | <b>PSC</b>     | Public Service Commission   |
| <b>MEEA</b>    | Midwest Energy Efficiency Alliance   | <b>PUC</b>     | Public Utility Commission   |
| <b>MF</b>      | Multifamily Program  | <b>PY</b>      | Program Year + #. Runs Jan. 1 – Dec. 31.  |
| <b>MFMM</b>    | Multifamily Measure Measures   | <b>QAQC</b>    | Quality Assurance Quality Control   |
| <b>MISO</b>    | Mid-continent Independent System Operator, a RTO                               | <b>RBI</b>     | Residential Building Integration Office (DOE)                                   |
| <b>MM</b>      | Metering & Monitoring  | <b>RCx</b>     | Retro Commissioning   |
| <b>MOU</b>     | Memorandum of Understanding  | <b>REC</b>     | Renewable Energy Certificate  |
| <b>MT</b>      | Market Transformation  | <b>RECA</b>    | Responsible Energy Codes Alliance (National)                                    |
| <b>M-WERC</b>  | Midwest Energy Research Consortium   | <b>REEO</b>    | Regional Energy Efficiency Organization   |
| <b>mWh</b>     | Megawatt Hours (one million watt hours)  | <b>REMC</b>    | Rural Electric Membership Cooperative   |
| <b>NAAQS</b>   | National Association of State Energy Offices                                   | <b>RESNET</b>  | Residential Energy Services Network   |
| <b>NAICS</b>   | North American Industry Classification System                                  | <b>RIM</b>     | Ratepayer Impact test   |
| <b>NCL</b>     | New Construction Lighting  | <b>ROI</b>     | Return on Investment  |
| <b>NDA</b>     | Non-Disclosure Agreement   | <b>RR</b>      | Realization Rate  |
| <b>NEB</b>     | Non-Energy Benefits  | <b>RSP</b>     | Retro Commissioning Service Provider  |
| <b>NSLB</b>    | Nonstandard Lighting for Business  | <b>RTO</b>     | Regional Transmission Organization  |
| <b>NTG</b>     | Net to Gross   | <b>RTU</b>     | Roof Top Unit   |
| <b>NVP</b>     | Net Present Value  | <b>RUS</b>     | Rural Utility Service (Federal)   |
| <b>O&amp;M</b> | Operations and Maintenance   | <b>R-Value</b> | Thermal Resistance  |
| <b>OBF</b>     | On-bill Financing  | <b>SA</b>      | Service Agreement   |
| <b>OLED</b>    | Organic Light Emitting Diode   | <b>SAG</b>     | Stakeholder Advisory Group  |
| <b>OS</b>      | Online Store   | <b>SBDI</b>    | Small Business Direct Install   |
| <b>PA</b>      | Program Ally   | <b>SCT</b>     | Societal Cost test  |
| <b>PACE</b>    | Property Assessed Clean Energy financing                                       | <b>SDC</b>     | Self-Directed Customer  |
|                |  | <b>SE</b>      | Specialty Equipment   |
|                |  | <b>SEER</b>    | Seasonal Energy Efficiency Ratio  |

|                |   |
|----------------|---|
| <b>SEM</b>     | Strategic Energy Management                         |
| <b>SEP</b>     | State Energy Plan                                   |
| <b>SG</b>      | Staffing Grant                                      |
| <b>SLB</b>     | Standard Lighting for Business                      |
| <b>SOW</b>     | Statement of Work                                   |
| <b>STEP</b>    | Savings Through Efficient Projects                  |
| <b>STRR</b>    | Steam Trap Repair/Replacement                       |
| <b>T&amp;D</b> | Transmission & Distribution                         |
| <b>T&amp;M</b> | Time & Materials                                    |
| <b>Therm</b>   | How natural gas usage/savings are measured          |
| <b>TRC</b>     | Total Resource Cost                                 |
| <b>TRM</b>     | Technical Reference Manual                          |
| <b>UCT</b>     | Utility Cost Test                                   |
| <b>USDA</b>    | United States Department of Agriculture (Federal)   |
| <b>USGBC</b>   | US Green Building Council (Federal)                 |
| <b>VFD</b>     | Variable Frequency Drive                            |
| <b>VHO</b>     | Very High Output                                    |
| <b>VRF</b>     | Variable Refrigerant Flow                           |
| <b>VRV</b>     | Variable Refrigerant Volume                         |
| <b>WHP</b>     | Waste Heat to Power                                 |
| <b>WIP</b>     | Weatherization and Intergovernmental Programs (DOE) |
