

# NEW CONSTRUCTION INCENTIVES

ENERGY EFFICIENCY PROGRAMS

## Who Qualifies for Incentives?

- » Ameren Illinois non-residential customers
- » Some applications over \$10,000 require preapproval before project equipment may be purchased or a PO submitted

## What is Considered New Construction for these incentives Program?

- » New buildings
- » Change of use of existing building or land
- » Building additions (two or more building systems are renovated – i.e. heating & lighting)

## What Can I Apply For?

- » Energy-saving equipment upgrades throughout your building

[HVAC](#)

[Controls](#)

[Custom](#)

[Specialty Equipment](#) (hospitality, industrial, refrigeration, agriculture)

- » Lighting upgrades that are 15% better than code
  - The higher the percentage, the higher the incentive!

## How Do I Get Started?

VISIT [AmerenIllinoisSavings.com/Business](http://AmerenIllinoisSavings.com/Business)

Click on the equipment link you are considering

Open the application for that equipment and look for the **NC** symbol, which designates the incentives are available for New Construction

**SUBMIT APPLICATION VIA  
ONLINE PORTAL (AMPlify Online)**
