

ACRONYMS

8-103	Electric Energy Efficiency Programs (Business & Residential)	CAL	Common Area Lighting
8-104	Gas Energy Efficiency Programs (Business & Residential)	CALC	Commercial Advanced Lighting Controls
AC	Alternating Current	CARx	Compressed Air Retro Commissioning
ACEEE	American Council for an Energy Efficient Economy	CBO	Community Based Organization
ACH	Air Changes Per Hour	CDD	Cooling Degree Days
AEE	Association of Energy Engineers	CEA	Certified Energy Auditor
AEECI	AEE's Central Illinois Chapter	CEE	Consortium for Energy Efficiency
AFUE	Annual Fuel Utilization Efficiency	CEIP	Clean Energy Incentive Program
AI	Ameren Illinois	CEM	Certified Energy Manager
AIC	Ameren Illinois Company	CFL	Compact Fluorescent Light
AMI	Advanced Metering Infrastructure	CFM	Cubic Feet per Minute
AMO	Advanced Manufacturing Office (DOE)	CFM	Certified Facility Manager
Amplify	Salesforce platform used by Leidos for all project data	CHP	Combined Heat and Power
ANSI	American National Standards Institute	CI	Custom Incentive
APEC	Association of Professional Energy Consultants	CLIP	Competitive Large Incentive Project
ARES	Alternative Retail Electric Supplier	COP	Co-efficiency of Performance
ASE	Alliance to Save Energy (National)	CPAS	Cumulative Persisting Annual Savings
ASHP	Air Source Heat Pump	CPP	Clean Power Plan (Federal)
ASHRAE	American Society of Heating, Refrigeration, and Air Conditioning Engineers	CPR	Community and Public Relations (Ameren Illinois' Marketing Division)
B2B	Business to Business communications	CRC	Community Relations Coordinator - Ameren IL's PR person in each division
BAS/BMS	Building Automation/Management System	CSS	Customer Service Specialist
BOC	Building Operator Certification	DC	Direct Current
BPI	Building Performance Institute	DCEO	Department of Commerce & Economic Opportunity (Illinois)
BRC	Business Reply Card	DCV	Demand Controlled Ventilation
BTO	Building Technologies Office (DOE)	DD	Double Dipping. Receiving incentives from multiple programs.
BTUs	British Thermal Units (combine kilowatt-hours and therms)	DER	Distributed Energy Resources
C&I	Commercial & Industrial	DG	Distributed Generation
CAA	Community Action Agency	DLC	Design Lights Consortium
		DOE	Department of Energy

DPM	Deputy Program Manager	ERV	Energy Recovery Ventilator
DR	Demand Response	ESCO	Energy Service Company
DRIPE	Demand Reduction Induced Price Effects - avoided cost.	ESPC	Energy Savings Performance Contracts
DSIRE	Database of State Incentives for Renewable and Efficiency	ESPM	ENERGY STAR® Portfolio Manager
DSM	Demand Side Management	ET	Emerging Technology
EA	Energy Advisor	EUI	Energy Use Intensity
ECB	Early Completion Bonus	FS	Feasibility Study
ECD	Estimated Completion Date	G&T	Generation & Transmission
ECM	Energy Conservation Measure	GHG	Greenhouse Gas Emissions
ECM	Electronically Commutated Motor	GN	Green Nozzles
EDR	Energy Efficiency and Demand-Response Cost Recovery	GRI	Gas Research Institute
EE	Energy Efficiency	Gwh	Gigawatt hour (one billion watt hours)
EEPS	Energy Efficiency Portfolio Standard	HCRx	Healthcare Retro Commissioning
EERE	Energy Efficiency and Renewable Energy (DOE)	HDD	Heating Degree Day
EERS	Energy Efficiency Resource Standard	HEMS	Home Energy Management Systems
EFLH	Equivalent Full Load Hours	HEIQ	Home Efficiency Income Qualified
EIA	Energy Information Administration (Federal)	HER	Home Energy Report
EISA	Energy Independence and Security Act	HERs	Home Energy Rating Standard
EM&V	Evaluation, Measurement & Verification (Companies that evaluate the results of our programs)	HPwES	Home Performance with ENERGY STAR®
EM&V 2.0	Real Time Evaluation Practices	HRV	Heat Recovery Ventilator
EMIS	Energy Management Information System	HVAC	Heating Ventilation Air Conditioning
EPA	US Environmental Protection Agency (Federal)	ICC	Illinois Commerce Commission
EPRI	Electric Power Research Institute	ICC	International Code Council
ERC	Energy Resource Center (Illinois)	IECC	International Energy Conservation Code
ERI	Energy Rating Index	IES	Illuminating Engineering Society
		II	Instant Incentives
		IMS	Information Management System
		IoT	Internet of Things
		IIoT	Industrial Internet of Things
		IOU	Investor Owned Utility
		IP	Implementation Plan
		IRP	Integrated Resource Planning
		ISO	Independent Service Organization
		ISO	Internal Standards Organization
		KAE	Key Account Executive - Ameren IL account manager for large business customers
		kWh	Kilowatt Hour (one thousand watt hours)
		LED	Light Emitting Diode

ACRONYMS

LEED	Leadership in Energy and Environment Design	PEO	Power Over Ethernet
LIHEAP	Low Income Home Energy Assistance Program	PIP	Program Implementation Plan
LSR	Leak Survey and Repair	PM	Program Manager
MDM	Motor Decisions Matter	PMO	Project Management Organization (oversees both Business & Residential programs)
MEEA	Midwest Energy Efficiency Alliance	PSC	Public Service Commission
MF	Multifamily Program	PUC	Public Utility Commission
MFMM	Multifamily Measure Measures	PY	Program Year + #. Runs Jan. 1 – Dec. 31.

NAAQS	National Association of State Energy Offices	REMC	Rural Electric Membership Cooperative
NAICS	North American Industry Classification System	RESNET	Residential Energy Services Network
NCL	New Construction Lighting	RIM	Ratepayer Impact test
NDA	Non-Disclosure Agreement	ROI	Return on Investment
NEB	Non-Energy Benefits	RR	Realization Rate
NSLB	Nonstandard Lighting for Business	RSP	Retro Commissioning Service Provider
NTG	Net to Gross	RTO	Regional Transmission Organization
NVP	Net Present Value	RTU	Roof Top Unit
O&M	Operations and Maintenance	RUS	Rural Utility Service (Federal)
OBF	On-bill Financing	R-Value	Thermal Resistance
OLED	Organic Light Emitting Diode	SA	Service Agreement
OS	Online Store	SAG	Stakeholder Advisory Group
PA	Program Ally	SBDI	Small Business Direct Install
PACE	Property Assessed Clean Energy financing	SCT	Societal Cost test
PCT	Participant Cost test	SDC	Self-Directed Customer
PEM	Practical Energy Management	SE	Specialty Equipment
PEM	Plant Engineering & Maintenance	SEER	Seasonal Energy Efficiency Ratio

SEM	Strategic Energy Management
SEP	State Energy Plan
SG	Staffing Grant
SLB	Standard Lighting for Business
SOW	Statement of Work
STEP	Savings Through Efficient Projects
STRR	Steam Trap Repair/Replacement
T&D	Transmission & Distribution
T&M	Time & Materials
Therm	How natural gas usage/savings are measured
TRC	Total Resource Cost
TRM	Technical Reference Manual
UCT	Utility Cost Test
USDA	United States Department of Agriculture (Federal)
USGBC	US Green Building Council (Federal)
VFD	Variable Frequency Drive
VHO	Very High Output
VRF	Variable Refrigerant Flow
VRV	Variable Refrigerant Volume
WHP	Waste Heat to Power
WIP	Weatherization and Intergovernmental Programs (DOE)
