

Making Your Home More Energy Efficient

Ameren Illinois is committed to helping customers find ways to improve comfort, manage usage, and reduce costs.

- **Lowers energy costs** on your monthly utility bill
- **Decreases drafts** to create a more comfortable home
- **Increases the value** of your home
- **Helps the environment** by reducing greenhouse gas emissions

A photograph of a family of four playing chess at a wooden table. On the left, a man with dark curly hair and a beard, wearing a white shirt, is smiling and looking towards the center. In the middle, a young girl with curly hair, also in a white shirt, is focused on moving a black chess piece. On the right, a woman with long dark hair, wearing a light blue denim jacket, is laughing and looking towards the girl. The chessboard is on the table, with various pieces in play. In the background, there is a white wall, a potted plant, and a small basket of colorful flowers. A semi-transparent white box with a black border is overlaid on the image, containing the text.

Energy Efficiency Program for Residential Customers

What is a Program Ally?

A Program Ally is an independent contractor who:

- Has registered and received training from the Ameren Illinois Energy Efficiency Program
- Helps customers complete energy efficiency projects
- Is familiar with the application forms and process

Find a Program Ally in your area by visiting [AmerenIllinoisSavings.com/Contractor](https://www.AmerenIllinoisSavings.com/Contractor).

Home Efficiency Income Qualified Initiative

Improve the efficiency and comfort of a home with the help of the Ameren Illinois Home Efficiency Income Qualified Initiative.

- Identify ways to bring your home's efficiency up to its highest potential and reduce energy costs
- Eligible customers can receive a virtual assessment performed by Program Staff or an Instant Savers Assessment (ISA) performed by Program Staff or a CORE Program Ally
- ISA also includes the direct install of energy saving measures including:
 - LED Bulbs
 - Faucet Aerators
 - High Efficiency Showerheads
- An overall assessment of the home's existing conditions is also provided to the customer to determine if the home qualifies for insulation and heating upgrades

Household Size	Total Annual Income
1	\$38,640.00
2	\$52,260.00
3	\$65,880.00
4	\$79,500.00
5	\$93,120.00
6	\$106,740.00
7	\$120,360.00
8	\$133,980.00
9	\$147,600.00
10	\$161,220.00

Instant Incentives

Through Instant Incentives, you can receive instant discounts that can save you hundreds of dollars on energy-efficient equipment, such as:

- Central Air Conditioners
- Air-Source Heat Pumps
- Heat Pump Water Heaters
- Smart Thermostats

To receive a discount, contact a Program Ally and encourage them to purchase from one of the participating distributors.

Visit [AmerenIllinoisSavings.com/Incentives](https://www.AmerenIllinoisSavings.com/Incentives) to get started!

Refrigerator & Freezer Recycling Initiative

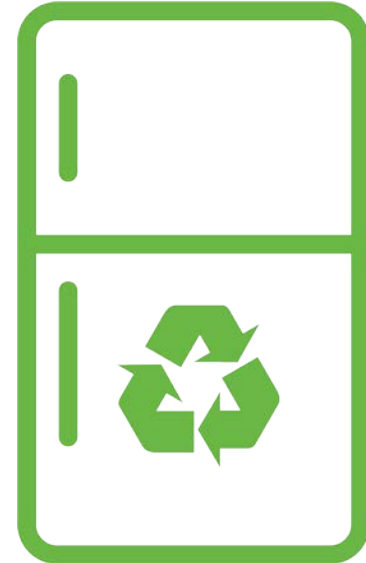

Receive a \$50 check when you recycle an inefficient refrigerator or freezer!

Eligibility

- Must be full size and in working (cooling) condition
- Must be an Ameren Illinois electric customer
- Customers can recycle up to two units per year

Act now, this offer ends Dec. 31 or when funds are depleted, whichever comes first.

Visit [AmerenIllinoisSavings.com/Recycle](https://www.AmerenIllinoisSavings.com/Recycle) to schedule your **FREE** contactless pickup!

Smart Thermostat

- For the average American household, almost half the annual energy bill goes to heating and cooling – more than \$900 a year*
- Being smart about how you control your temperature settings will help you save money and stay comfortable in your home
- Get up to **\$100 cash back** from Ameren Illinois when you purchase a new ENERGY STAR® certified smart thermostat!

*According to https://www.energystar.gov/products/heating_cooling/smart_thermostats

Customers living in qualifying zip codes are eligible for a free smart thermostat!
Find out if you're eligible at ***AmerenIllinoisSavings.com/Smart***.

Online Marketplace & Rebates

Ameren Illinois offers discounts to its residential electric customers on specialty LED light bulbs through participating retailers.

Customers can also purchase specialty LED light bulbs, smart thermostats, and advanced power strips at discounted pricing through our Online Marketplace.

Visit ***AmerenIllinoisSavings.com/MyHome*** for more information.

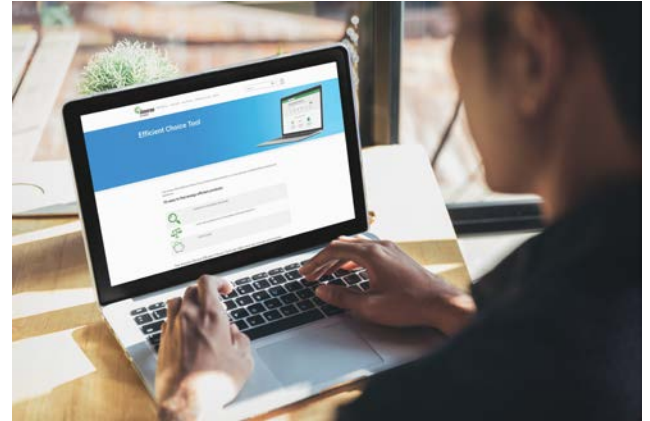

Get rebates for purchasing and installing ENERGY STAR® certified appliances! Visit ***AmerenIllinoisSavings.com/Rebates*** to apply for a rebate when purchasing new appliances.

Efficient Choice Tool

The Ameren Illinois Efficient Choice is a free tool that can assist you in your purchase of energy-efficient products and appliances.

- Get help with purchasing decisions to find the right product for you
- The Efficient Choice tool analyzes product data daily across major retailers to provide you with highly efficient recommendations
- Search by type, brand, and model
- Shop and compare with other energy-efficient products

Get started today at AmerenIllinoisSavings.com/EfficientChoice.

Multifamily Initiative

The Multifamily Initiative provides incentives to help property owners and managers make money saving upgrades to individual units and common areas making it easy to achieve energy savings.

Eligibility

- Properties containing three or more individual residential units
- Properties with a high number of income-eligible customers
- Public Housing Authorities

Are you a multifamily property owner or property manager?

Our new, easy to use initiative allows properties to receive business and residential incentives. For more information visit, [AmerenIllinoisSavings.com/Multifamily](https://www.AmerenIllinoisSavings.com/Multifamily).

Energy Saving Tips for Your Home

Install light dimmers

Make sure you have a full load in your washing machine and dishwasher

Adjust the temperature of your thermostat

Check your air filter

Use cold water when using your washing machine

Switch the direction of your ceiling fan

Set your water heater to 120 degrees

Clean your refrigerator coils
