

Energy Efficiency
PROGRAM

Artwork by Chantell Marlow, member of the Peoria Guild of Black Artists

Looking for a rewarding career that helps the planet?

The Ameren Illinois Energy Efficiency Program is actively searching for jobseekers to join the energy efficiency workforce. Take advantage of the award-winning Workforce Development Program and get connected with jobs, training, support services and more today - at no cost to you!

Whether you are a student, changing careers or just getting back on your feet, now is the time to invest in yourself and your future.

Ways the Workforce Development Program Helps You Succeed:

- One-on-one support to match you with employers and jobs.
- Support through every step of the hiring process - resume preparation, filling out job applications and more.
- Educational training tools to enhance your knowledge.
- Personalized coaching and preparation before job interviews.
- Placement in our Summer Internship or Scholarship Programs across the state.
- Support to remove barriers you may encounter along the way - transportation, school supplies and more.

Additionally, we offer a jobs board as a free tool provided in partnership with the Springfield Urban League. For jobseekers, it offers an easy, searchable site to find energy jobs in your area. For employers, it is a tool for getting their job opportunities to a captive audience.

To access careers within the Ameren Illinois network of over 1,600 companies across Illinois, learn more about the Workforce Development Program by visiting AmerenIllinoisSavings.com/Jobs or email workforce@ameren.com.

Thank you to our supporting partners: Carle Health, Wraparound Center at Trewyn, House of Hope Peoria, INC., Goodwill, Minority Business Development Center, New Millennium Institute, Peoria Citizens Committee for Economic Opportunity, Inc., Tri-County Peoria Urban League, The Salvation Army, Lawn-N-Order, Springfield Urban League and East St. Louis Urban League.
