

**Energy Efficiency**  
PROGRAM

# Become a Contractor

## *Community Action Agency Channel*

Community Action Agencies (CAAs) oversee the Illinois Home Weatherization Assistance Program (IHWAP), providing qualified individuals with opportunities to enhance health and safety, optimize energy use and lower energy expenses.

# Benefits of Becoming a Contractor

- Enjoy year-round work.
- Opportunity to become a Program Ally Contractor with the Ameren Illinois Energy Efficiency Program.
- 30-day payment turnaround.
- Become pre-qualified to work with Community Action Agencies.
- Serve members of the community.
- Support provided from Program staff.

For more information on becoming a contractor, please contact Chrystal Griffin or Taria Armstrong.
