

# NEW CONSTRUCTION INCENTIVES

Energy Efficiency  
PROGRAM

Ameren Illinois non-residential customers can qualify for financial incentives for energy-saving equipment upgrades in New Construction projects.

**PRE-APPROVAL IS REQUIRED FOR PROJECTS REQUESTING INCENTIVES OVER \$15,000.**

## Qualifying New Construction Projects

- New buildings
- Change of use of existing building or land
- Building additions or gut remodel (two or more building systems are renovated – e.g., heating and lighting)

## Available Financial Incentives

HVAC

Controls

Custom

Refrigeration

Hospitality

Industrial

Agriculture

LED Lighting

## Project Requirements

- Installed equipment must exceed baseline code requirements for energy efficiency.
- Electrical contractors must be Illinois Commerce Commission (ICC) certified.
- Lighting equipment must be at least 15% more efficient than code and [Design Lights Consortium \(DLC\) qualified](#).

## How to Get Started

Visit [AmerenIllinoisSavings.com/NewConstruction](http://AmerenIllinoisSavings.com/NewConstruction):

Click on the “Excel Application” button. Please note that this application is an Excel file and applications must be submitted as an Excel file (not saved as a PDF).

Lighting and Lighting Controls users can apply using the portal at [www.amplifyincentives.com/amil](http://www.amplifyincentives.com/amil).

**SUBMIT PDF APPLICATION  
VIA EMAIL OR POSTAL MAIL**

Signed W9 form with Tax ID number

Manufacturers' cut sheets

New Construction Lighting Calculator

**OR**

**SUBMIT APPLICATION VIA  
ONLINE PORTAL (AMPlify Online)**

Signed W9 form with Tax ID number

No cut sheets or Lighting Calculator required

Faster processing!

## What is the Process?

1

Contact your Energy Advisor to determine eligibility and coordinate with Technical Review Team.

2

Submit your project application.

3

After your Ameren Illinois letter of approval is received, begin your project.

4

Submit final paperwork within 30 days of project completion.

5

A post-installation inspection may be required.

6

Receive your incentive check.

## How Can I Get Help?

Visit [AmerenIllinoisSavings.com/Business](http://AmerenIllinoisSavings.com/Business) to:

- Learn about [available incentives](#).
- [Request a Free Energy Consultation](#) with an Energy Advisor.
- Search for a registered Ameren Illinois Program Ally by clicking on "[Find a Contractor](#)."
