

Collaborate with the Residential Outreach Team

The Residential Outreach team works with our communities to show customers how the Ameren Illinois Energy Efficiency Program can help them improve their home's comfort and reduce their monthly energy bill. Contact our team to learn how we can collaborate with you to reach and serve Ameren Illinois customers.

Presentation Topics:

- Energy-Saving Tips
- Home Efficiency Assessments and Upgrades
- Switching from Propane to Electric
- Energy Efficiency Product Discounts and Rebates
- Smart Thermostats
- Program Ally Contractor Recruitment
- Energy Savings for Renters
