

MOBILE HOME INITIATIVE INITIAL SCREENING FORM

Program Benefits

The **Mobile Home Initiative**, provided by Ameren Illinois Energy Efficiency Program through a partnership with BCMW, seeks to help mobile home residents in Bond, Clinton, Marion and Washington Counties reduce their energy bills. This initiative is provided at no-cost to the participating mobile home residents. After an in-home energy inspection, the Program will provide participating mobile home residents with information on how to save energy and will provide energy saving products and equipment to help them reduce their energy use.

- ✓ Eligible mobile home residents will receive an Energy Savings Kit with easy-to-install products that help save energy such as LED lights, advanced power strips, low-flow showerheads and faucet aerators.
- ✓ Select mobile home residents will also receive energy-saving equipment, such as a new heating equipment (Furnace or Air Source Heat Pump), added insulation, a smart thermostat, and/or air & duct sealing. A program-approved licensed contractor will install the equipment.

To be considered for the Mobile Home Initiative, the applicant must complete and submit this form before the deadline provided below.
