

Congratulations!

As we wrap up the Ameren Illinois Market Development Initiative Summer Internship Program, let's take a moment to reflect and celebrate your incredible journey.

This summer, you were brave. You stepped into the unknown with courage and curiosity. You shared your stories, built meaningful connections, and made a lasting impact. Your story has not only impacted the communities we serve but has also deeply touched all of us who had the privilege of working alongside you.

From the energy of the kickoff event to the heart you poured into community service, your presence has been felt and appreciated every step of the way. We are truly grateful to have shared this experience with you, and we can't wait to see where your journey takes you next.

Thank you for being part of something special.

Key Information

All webinar slides as well as photos from the internship program are available on the Summer Internship Program webpage. Webinar slides can be found under the Intern Resources tab.
